

GLAD Forum ADCARE 2026 – Abstract Submission Guidelines

We invite submissions of original research abstracts for the GLAD Forum ADCARE, to be held in April 2026. Please follow the guidelines below carefully to ensure your abstract is considered for presentation.

Abstract Requirements

- **Word limit:** Maximum 300 words.
- **Structure:** Abstracts must be structured and include the following headings:
 1. **Background**
 - Describe the major problem or knowledge gap that prompted the study.
 2. **Objective**
 - Clearly state the purpose or primary aim of the study.
 3. **Methods**
 - Outline the study design, population, interventions, and/or analytical methods.
 4. **Results**
 - Present the most important findings, including data and statistical outcomes where relevant.
 5. **Conclusion**
 - Summarize the main conclusion(s) drawn from the study and its potential implications.

Formatting

- Text should be in **English**.
- Ensure all authors and affiliations are listed correctly.
- **Tables, figures, and references** are not permitted in the abstract.
